## *Meeting the "New Kids on the Block"*

Members of the Mother of God Province and the Caritas Christi group pose with our new Rector & Vice-Rector Generals, Fr. Fritz Kretz (back by picture left) & Fr. Zenon Hanas (back by picture right)

After having attended the Continental Meeting of the Pallottines in North America in Baltimore earlier that week, our new Rector General, Fritz Kretz, SAC and vicar-Rector General, Fr. Zenon Hanas, SAC made a slight detour to Milwaukee for a short informal visit with our province members over the weekend of April 16-17 before returning to Rome.

Their visit proved to be a great opportunity for our members to meet and get to know, at least a little, the new leaders of our Society. It also gave them a chance to see just who we are here in the Midwest, and to get a better feel for the different places in and around the Milwaukee area in which we have our apostolates. Fr. Leon spent much of his time chauffeuring them around to our two parishes, St. Vincent Community House, Pallotti House and our retreat center at Elkhorn. He even gave them the "super quick" tour of the Milwaukee

lakefront and downtown area. Perhaps on their next visit they will have time to see more of our great city.

One of the highlights of their visit was the grand supper held on their last night with us, Sunday, April 17th. (It's amazing how well we feasted on KFC Chicken with all the trimmings! Thank goodness for the Colonel!) Not only were most of our SAC members present, but many of our UAC Caritas Christi members also came to the meal. It's not often these days that we are able to gather so many people together at one time. There's something to be said about just eating a meal together once and a while.

We all hope that Fr. Kretz and Fr. Hanas enjoyed their visit with us as much as we enjoyed our time with them. Good luck, Fathers, in your new "jobs" back in Rome!

## *Perpetual Consecration On the Horizon*

With the approval of the Provincial Council in Milwaukee and the General Council in Rome, the perpetual consecration of Sergio Lizama, SAC will be held on Sunday, July 31, 2005 at a concelebrated Mass at St. Vincent Pallotti Church (West) at 10:00 a.m. Breakfast will follow after the Mass in the Parish Center.

**Sergio Lizama, SAC**

Since he joined us, Sergio has spend his years of theological studies at the Catholic University in Washington, D.C. With those studies now completed, he will return home to Pallotti House in Milwaukee, WI on May 28th. In early June Sergio will be going with the rest of the province members on a retreat at our retreat center in Elkhorn, WI. Shortly thereafter, he will be visiting the Province of Santa Maria in Brazil from mid June to mid July. After his perpetual consecration, he will work, in conjunction with St. Francis Seminary in Milwaukee, through the Fall

of 2005 and Spring of 2006 with Fr. Joe Koyickal at St. Vincent Pallotti Parish as he prepares for the diaconate and priesthood.

Sergio, all the members of our province congratulate you as you take these final steps on your journey toward what we pray will be a long and fruitful ministry in Christ's Church.

# *Favorite Prayers*

A message from the Provincial

With the ease of printing these days, it doesn't take long to receive and cherish some favorite prayers. Friends pass them along to me, and there are always a few prayer cards that come in the mail.

In addition to the "Our Father", "Hail Mary", and "Glory be", we have a great variety of prayers to choose from. For example, some of my favorite ones are: The Memorare: "Remember, O most gracious Virgin Mary...", the Peace Prayer of St. Francis: "Lord, make me an instrument of Your peace....," the Breastplate of St. Patrick: "Before me, behind me....," the Prayer of St. Vincent Pallotti: "Not the mind, but God, not...."

Many beautiful prayers can also be found in the pages of scripture. Two that come to mind are: "The Magnificat" and the scriptural verses - "See, I will not forget you... I have carved you on the palm of my hand." (Is.49:1ff.)

Down through the centuries many saints and holy people have likewise expressed their inner thoughts and feelings in prayer. I think of Blessed Kateri Tekakwitha who is credited with the prayer that begins: 'O Great Spirit, whose voice I hear in the winds....'!

**Consult not your fears  
but your hopes  
and your dreams.  
Think not about your  
frustrations,  
but about your  
unfulfilled  
potential.  
Concern  
yourself  
not with  
what you  
tried  
and  
failed in,  
but with what  
it is still possible  
to do.**

**Blessed John XXIII**

Recently, I received the prayer that appears above. It was written by Blessed Pope John XXIII. It spoke to me. I heard the encouragement of God in it.

The summer months that are now upon us are good times to treasure the richness of faith we have in the prayers upon which we reflect. May I suggest that you pick out one of your own favorite prayers this summer and let God speak through it to your heart.

Peace and love,

*Fr. Leon Martin, SAC*

# *A Little Humor to Make Your Day*

## What's "Up"?

We have a two-letter word we use constantly that may have more meanings than any other. The word is **up**.

It is easy to understand **up** meaning toward the sky or toward the top of a list. But when we waken, why do we wake **up**? At a meeting, why does a topic come **up**, why do participants speak **up**, and why are the officers **up** for election? And why is it **up** to the secretary to write **up** a report? Often the little word isn't needed, but we use it anyway. We brighten **up** a room, light **up** a cigar, polish **up** the silver, lock **up** the house, and fix **up** the old car.

At other times, it has special meanings. People stir **up** trouble, line **up** for tickets, work **up** an appetite, think **up** excuses, get tied **up** in traffic. To be dressed is one thing, but to be dressed **up** is special. It may be confusing, but a drain must be opened **up** because it is stopped **up**. We open **up** the store in the morning and close it **up** at night. We seem to be mixed **up** about **up**.

To be **up** on the proper use of **up**, look **up** the word in the dictionary. In one desk-size dictionary **up** takes **up** half a page, and listed definitions add **up** to about 40. If you are **up** to it, you might try building **up** a list of the many ways in which **up** is used. It will take **up** a lot of your time, but if you don't give **up**, you may wind **up** with a thousand.
